

SCIENTIFIC BROCHURE

2nd International Conference on

Materials Science And Engineering

**July 12 & 13, 2027 (In-Person)
July 14, 2027 (Virtual)**

Theme:

"Outlining the Forefront Research in The Field
of Materials Science and Engineering"

Venue:

Iris Hotel Eden, Prague, Czech
Republic

INVITATION

We are delighted and privilege to welcome you to Trending Materials 2027, 2nd International Conference on Materials Science and Engineering, to be held from July 12 & 13, 2027(In-Person) & July 14, 2027 (Virtual) at Iris Hotel Eden, Prague, Czech Republic

As one of the premier conferences in the field, Trending Materials 2027 will feature a comprehensive program covering Materials Science and Engineering, Nanomaterials & Nanocomposites, Biomaterials and Healthcare, Nanotechnology, Catalytic Materials & Green Chemistry, Ceramics and Magnetic Materials, Emerging Smart Materials, Physics and Chemistry of Materials, Nanoporous Aerogel Materials, and other emerging topics. Through keynote presentations, interactive discussions, and workshops, participants will explore the latest developments and their impact on the future of materials science.

The conference aims to foster interdisciplinary collaboration by bringing together researchers, academics, industry professionals, and experts from around the world. It offers an excellent platform to exchange ideas, build partnerships, and discover innovative solutions.

ABOUT THE EVENT

Trending Material 2027 offers a tremendous opportunity to meet and make new contacts in the field of Nanotechnology, by providing collaboration spaces and breakout rooms with tea and lunch for participants between sessions with invaluable networking time for you. It allows participants and delegates to have issues addressed in Advanced Materials & Nanotechnology, by recognized global experts who are up to date with the latest developments in the field and provide information on Advanced Materials & Nanotechnology. Trending Material 2027 is an International conference that will feature world-renowned keynote speakers, plenary speeches, a young research forum, poster presentations, workshops, and career guidance sessions.

Trending Material 2027 creates an international forum for Doctors, Professors, Academics, Researchers, Scientists, Health professionals, and medical professionals from all over the world to discuss the latest issues.

The Conference will have an area for firms and/or establishments to gift their services, products, innovations, and analysis results. If your company/organization is inquisitive about taking part in this event, then come and be part of this.

Hope you will take this opportunity to join us and visit the city of Prague, Czech Republic...

WHO SHOULD ATTEND ?

Academic Innovators

1. Professors
2. Ph.D. & Post-Docs
3. Students
4. Researchers

Industry & Business Leaders

1. R&D Directors
2. Start-ups Founders
3. Venture Capitalists

REASONS TO ATTEND TRENDING MATERIALS 2027

Global Networking & Collaboration

Connect with 40+ expert speakers from 20+ countries
Build strong academic and industry collaborations

Cutting-Edge Research Exposure

Explore the latest advancements in Materials Science & Engineering
Covering topics like nanomaterials, biomaterials, smart materials, and more

Hybrid Conference Experience

Attend in-person in Czech Republic or virtually via Zoom
Flexible participation for global attendees

Present Your Work Globally

Showcase your research to an international scientific audience
Gain visibility and valuable feedback from experts

Face-to-Face Interaction (In-Person Advantage)

Engage in real-time discussions and networking
Experience a dynamic academic environment in Czech Republic

Access to Conference Materials

Receive an e-book of abstracts and session insights
Stay updated with all presentations

Wide Range of Scientific Sessions

Topics include nanotechnology & nanomaterials, biomaterials & healthcare, smart & functional materials, and energy & sustainable materials

Enhance Professional Skills

Improve presentation and communication skills
Interact with global leaders and researchers

International Venue Experience

Hosted in Czech Republic, combining science with cultural exposure

SCIENTIFIC SESSIONS & TRACKS

- Smart Materials and Engineering
- Structural Materials
- Advanced Composite Materials
- Polymers and Soft Materials
- Functional and Smart Materials
- Nanomaterials and Nanostructured Systems
- Nanomaterials and Nanotechnology
- Ceramics and Magnetic Materials
- Electrical, Optical, and Magnetic Materials
- Mining, Metallurgy and Materials Science
- Materials for Energy and Environmental Sustainability
- Graphene and 2D Materials
- Advanced Energy Materials
- Advanced Materials and Devices
- Functional Materials, Surfaces, and Devices
- Advanced Materials for Biomedical Engineering
- Materials and Mechanics for Automotive Engineering
- Energy Materials and Sustainability
- Materials Processing and Manufacturing Technologies
- AI and Data-Driven Materials Engineering
- Modelling and Simulation
- Advances in Nano Materials Science
- Computational Materials Science

About Prague

Prague is affectionately called the "City of a Hundred Spires." Although Iris Hotel Eden is located slightly away from the city center, the Slavia Tram Stop is just 100 meters away from the hotel. From there, Tram number 22 takes you directly to all these iconic tourist attractions within 15–20 minutes:

- Prague Castle (Pražský hrad): The largest ancient castle complex in the world, which has served as the historic seat of Czech kings and presidents.
- Charles Bridge (Karlův most): A historic Gothic stone bridge spanning the Vltava River, famous for its magnificent Baroque statues and lively street artists.
- Old Town Square (Staroměstské náměstí): The beating heart of Prague, offering a historic aura filled with stunning Gothic and Baroque architecture.
- Prague Astronomical Clock (Orloj): The world's oldest operating medieval clock located on the Old Town Hall, drawing crowds every hour for its unique "Walk of the Apostles" show.
- St. Vitus Cathedral: A breathtaking Gothic cathedral located inside the Prague Castle complex, housing the tombs of Czech royalty.
- Wenceslas Square (Václavské náměstí): A vibrant and expansive boulevard square that serves as a hub for shopping and cafes, and has witnessed major events in Czech history.
- The Dancing House (Tančící dům): A modern deconstructivist building on the banks of the Vltava River, designed to resemble a pair of dancers.
- Petřín Tower: A lookout tower inspired by the Eiffel Tower, offering panoramic views of the entire city of Prague.
- Eden Shopping Center: A large shopping mall located right next to the hotel, perfect for shopping, pharmacies, a local food court, and grocery needs (Tesco).

IMPORTANT DATES

Conference Date	July 12-14, 2027
Abstract Submission Opens	2 August 2026
Registration Opens	3 August 2026
Final Abstract Submission	29 June 2027
Final Registration	30 June 2027

CONFERENCE REGISTRATION

Registration Fee (Per Person) Academia Registration Fee:

Type	Before July 20th, 2026	Before December 20th 2026	Final Call June 15th 2027
Speaker Registration	\$599	\$699	\$799
Poster Presentation	\$699	\$749	\$849
Listener/Delegate	\$649	\$799	\$899

Student Registration Fee:

Type	Before July 20th, 2026	Before December 20th 2026	Final Call June 15th 2027
Student Registration	\$509	\$549	\$699

Sponsorship & Exhibition Registration Fee:

Category	Before July 20th, 2026	Before December 20th 2026	Final Call June 15th 2027
Silver Sponsorship	\$2999	\$3299	\$3499
Platinum Sponsorship	\$3499	\$3699	\$3999

Registration fee Includes:

- One Presenter/Listener Slot
- Participation Certificate
- Access to conference sessions and panel discussion
- Conference Kit
- Access to all the conference rooms
- Access to Conference Recordings& Photos
- University Logo placement on banners
- Abstract Book
- Access to all virtual conferences as a Listener for one year from the date of the conference.
- Lunch during the conference

CONFERENCE ACCOMMODATIONS:

Type of Accommodations	Amount in Dollars
Stay Package A (Two Nights Accommodation)	\$1199
Stay Package B (Three Nights Accommodation)	\$1399
Stay Package C (Four Nights Accommodation)	\$1599
Extra Night (Per Night)	\$349
Accompany (Extra Person)	\$399

All Packages (A, B & C) include:

- Complimentary Wi-Fi in the guest rooms
- Complimentary Breakfast
- Speaker/Listener Pass
- Participation Certificate
- Access to conference sessions and panel discussion
- Conference Kit
- Access to all the conference rooms
- Access to Conference Recording & Photos
- University Logo placement on banners
- Abstract Book
- Access to all virtual conferences as Listener for one year from the date of conference

SPONSORSHIP

Trending Materials 2027 is an exciting opportunity to display the new developments, the new technologies of your company, and/or the services your industry may offer to a broad international audience. Trending Materials 2027 delivers over 100+ attendees from over 40 countries supporting the development and commercialization of innovations in the field of Graphene Technology, 2D & 3D Materials. As an exhibitor, you will access the engineering professionals, researchers, doctors, professors, faculty, and commercialization leadership that rely on your products and services to develop these new technologies.

Sponsorship Benefits

- Draped booth space of 3*6 meters with priority to purchase exhibition space and choose booth location
- Two conference passes & Three booth personnel passes
- Web listing with link to your company website
- Publication of the exhibitor profile in the souvenir (2 A4 colour pages)
- Logo recognition in the scientific program, Conference banner and flyer.
- Participation in the One-on-One Partnering Program
- Acknowledgement during Opening Ceremony & Gala Dinner
- Speaker Opportunity in the conference program
- Company logo on all on-site signage
- An exclusive online Promotion on all our Social Networking Sites.
- Three inserts provided by the sponsor in the congress delegate bags

Exhibitor Benefits

- Draped booth space of 3*3 meters
- One conference passes & one booth personnel pass
- Web listing with link to your company website
- Publication of the exhibitor profile in the souvenir (1 A4 page)
- Logo recognition in the scientific program, Conference banner and flyer.
- One Presentation Slot about the organization.
- Advertisement Video on conference website

WHO CAN EXHIBIT?

- Commercial Organizations
- Research Laboratories
- Universities/Institutes
- NGO's
- Start-up Companies
- Journal Publishers

WHY TO SPONSOR?

Sponsorship powerfully influences audiences more than any other tool. It is a direct, cost-effective way to capture your target market. Aside from valuable brand exposure throughout the event campaign and during the event itself, sponsorship is your route to addressing our audience with your knowledge and experience through our unique program of conference and learning sessions.

Our sponsorship packages are customized to our clients' specifications. We understand that every business is unique and will work with you to develop a package that meets your business's individual goals and objectives.

Exhibitions allow you to advance all your:

- Long term building
- Generating media coverage
- Engage with loyal customers
- Teaching new prospects about offerings
- Promote your services to potential clients
- Teaching new projects about your offerings
- Showcase your products to the event attendees
- Establish partnership with key players in the value chain
- Establish collaborations with other companies and individuals
- Identify prospective clients among conference attendees and organizations they represent

About Scientifink

Scientifink is an organization based in Dubai, UAE, that specializes in organizing international scientific conferences, seminars, workshops, and symposiums. It serves as a platform for researchers, academicians, students, and industry professionals to share knowledge, network, and discuss advancements in various fields, particularly in nursing, healthcare, and materials science.

Company Overview

Core business: Organizing scientific and academic conferences and events.

Mission: To facilitate the dissemination of research, promote interdisciplinary collaboration, and create a dynamic space for learning through high-quality events and an open-access platform.

Attendees: A mix of academicians, professors, students, researchers, and industrialists.

Services: Planning, organizing, and executing events, and providing a platform for sharing knowledge and making research accessible.

BOOK MARK YOUR DATES

July 12,13 &14, 2027

Pack your curiosity and enthusiasm — Hotel – Iris Hotel Eden, Prague, Czech Republic is ready to inspire you! Let's turn this journey into an unforgettable blend of learning, laughter, and lasting memories.
